AOP CORBIÈRES

Château Valmont

Aventure – 2023

An Alsatian Estate in the Heart of Corbières!
In 2016, the young generation of the Ruhlmann-Schutz family acquired a vineyard in Peyriac-de-Mer.
The ambition was simple: to produce Corbières wines that would successfully complement their generous collection of Alsatian wines.

Located in the Corbières Maritimes, Château Valmont is a 30-hectare estate certified organic since 2020.

Terroir: Silty, clay-limestone soils scattered with pebbles. Sea spray brings both humidity and freshness.

Winemaking: The grapes are harvested at optimum maturity and temperature, early in the morning. They are then sorted out, then destemmed and received by gravity to preserve the quality of all berries. Traditional winemaking, maceration from 3 to 5 weeks, ageing in stainless steel tanks with temperature control.

Grape variety:

- 40% Syrah
- 30% Carignan
- 15% Mourvèdre
- 15% Grenache

Tasting: Deep color with ruby highlights. A seductive nose with aromas of ripe black fruits and notes of garrigue.
Generous and complex on the palate, with smooth tannins. Well balanced.
Excellent with barbecue, meats, and game.

Service: Serve at 14°C (57°F)

CERTIFIÉ AB AGRICULTURE BIOLOGIQUE
