RIESLING Vieilles Vignes
Hospices de Strasbourg

Grape Variety : Riesling

Terroir : This wine comes from a limestone, loamy, and clay-rich terroir that allows the vines—which are over thirty years old—to develop deep roots. The southwest-facing slopes provide ideal sun exposure.

Winemaking: The grapes are hand-harvested and then pressed whole. After temperature-controlled fermentation, this wine was selected during a rigorous tasting to be admitted to the Cave des Hospices de Strasbourg. It was aged there for 8 months in oak barrels, then tasted a second time to earn the privilege of being bottled at the Hospices, following several months of tireless efforts to ensure impeccable quality.

Tasting Notes:

- Color: Yellow, slightly golden, with a beautiful brilliance.
- Nose: Citrus aromas and hints of honey. Lovely freshness.
- Palate: Full of character. Aromas of honey and beeswax are present. A lovely, lingering finish with a rich fruitiness, due to the terroir.

Our recommendations: It pairs harmoniously with the most refined dishes: fish, shellfish, white meats, etc.

Serving temperature: Serve chilled, between 8 and 10°C

Aging potential: Up to 8 years.
