

AOP CORBIÈRES

Château Valmont Les Alizés

An Alsatian Estate in the Heart of the Corbières!
In 2016, the younger generation of the Ruhlmann-Schutz family acquired a vineyard in Peyriac-de-Mer.

Their stated goal is quite simple: to produce Corbières wines that will successfully complement their extensive collection of Alsatian wines. Located in the maritime Corbières region, Château Valmont is a 30-hectare estate that has been certified organic since 2020.

Terroir: Loamy, clay-limestone soils. The vines are planted on terraces, perpendicular to the sun.

Winemaking: Hand-harvested at the optimal temperature (very early in the morning). The grapes are then sorted and immediately chilled using dry ice and pressed directly using a pneumatic press. Fermentation and aging take place in stainless steel tanks to preserve all the freshness. Aged on fine lees for 2 months.

Blend:

- 50% Grenache Blanc
- 30% Roussanne
- 20% Marsanne

Tasting Notes: A pale gold color with a beautiful brilliance. On the nose, lovely notes of stone fruits such as peach and apricot. On the palate, the aromas are evident, highlighted by a fresh attack that enhances the wine's balance.

Ideal with grilled fish, seafood, or white meats. A white wine with plenty of freshness.

Serving: Serve chilled, between 8 and 10°C
